Report of Principal and School Improvement Council

Laing Middle School of Science and Technology (LMSST) is one of three middle schools in the town of Mt. Pleasant, South Carolina. However, it is the only partial magnet middle school in the area. Our student population of approximately 600 is enrolled in grades 6-8. LMSST has established a tradition of excellence that is not only evident throughout all areas of our school, but is also recognized as a school that provides top-notch education for all students. We offer non-traditional courses such as pre-engineering, robotics, bio-medicine, video production, zoology, inquiry, environmental science, forensics and marine science in a middle school environment. Our students also have the opportunity to earn Carnegie units for high school credit in keyboarding, computer applications, Spanish I, Algebra I, English I and Geometry.

Laing Middle School of Science and Technology’s successes are not limited to classroom performance. Our students excel in extracurricular activities, basketball, tennis, volleyball, football, softball and soccer. Many of our athletic teams regularly compete for regional and state championships. Students participate on the math team, Lego League, academic teams, and the Regional, State, and National History Day competitions. Our Student Council program is very active and is comprised of students from all three grade levels. Students in our fine arts program, and orchestra, participate competitively in regional and state competitions and share the skills that they have honed in various venues. Poetry Alive, creative writing competitions, and yearbook afford our students other areas to demonstrate excellence and creativity. Students choose from a list of thirty or more clubs to choose to participate. Clubs encourage socialization and helps build character among our students.

A key factor in LMSST’s success is the fantastic faculty. Our staff has embraced the mantra that “failure is not an option.” Every child is encouraged to perform to his or her highest potential. Each teacher has a vested interest in our students. This is evident because every teacher serves as an advisor for a group of students. The advisory teacher loops with the students each year until they leave for high school. This model insures that every child has a significant adult to talk to and depend on for guidance.

The real focus of our school is best described in our mission statement. “The mission of Laing Middle School of Science and Technology is to make certain that all eighth grade students leave with the knowledge and skills to be successful and competitive in a college preparatory curriculum and to ensure that they have a plan of study that will allow them to complete high school and prepare for future education and careers.”

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	81.5
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Laing Middle School of Science and Technology school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☒ Non-Title I School – therefore the designations above are not applicable.
